Journal Information

Journal Profile

The *Journal of Academic Value Studies (JAVStudies)* is a peer-reviewed academic journal published since 2015. The journal focuses on original research in economics, political science, business, finance, and management and is published quarterly.

JAVStudies is an open access journal, and all content is freely available. The journal is published electronically (ISSN 2149-8598) and follows international academic publishing and ethical standards.

Abstracting and Indexing

JAVStudies is indexed in the following databases:

EBSCO
ERIHPLUS
RePEc (EconPapers, IDEAS)
SOBIAD
Ulrich's Periodicals Directory

Articles are also accessible via *Google Scholar* and are assigned *DOI* numbers through *Crossref*. The journal is listed in the *ROAD* directory.

Scope of the Journal

JAVStudies aims to publish original academic research in the fields of economics, political science, business, finance, and management, and encourages interdisciplinary studies related to these areas. The journal contributes to the dissemination of scientific knowledge and supports academic discussion at both national and international levels.

ASOS Publishing

The Journal of Academic Value Studies (JAVStudies) is published by ASOS Publishing (ASOS Eğitim Bilişim Danışmanlık Otomasyon Yayıncılık Reklam San. ve Tic. Ltd. Şti.), based in Türkiye. The publisher provides technical infrastructure, journal management systems, and production services for the journal.

Editorial decisions are made independently by the Editor-in-Chief and the Editorial Board in accordance with international academic publishing and ethical standards.
