Dear scientists and visitors,

We are publishing the 4th issue of the 7th volume of the Journal of Academic Value Studies (JAVStudies). JAVStudies, which is an international refereed scientific journal covering the studies of economics, business, finance, political science, public administration, local governments, urbanization, social services, international relations, finance, econometrics, tourism, foreign trade, agricultural economy, labor economy, management information systems, health management, industrial engineering, engineering economics, logistics and other studies on economics, business administration, applied sciences and political and administrative sciences, is published four times a year.

JAVStudies is an internationally indexed journal and has been publishing for 7 years. The journal, which continues its publishing life with the ISSN number 2149-8598, has an electronic format. JAVStudies scanned by international indexes and databases such as EBSCO, EconPapers-Ideas-Repec, Google Scholar, International Index Copernicus (ICI), Eurasian Scientific Journal Index (ESJI), Directory of Research Journals Indexing (DRJI), ResearchBible (Academic Resource Index), Scientific Indexing Services (SIS), Advanced Science Index, Akademik Arastirmalar Indeksi (Acarindex.com), Sosyal Bilimler Atif Dizini (SOBIAD), Social Science Research Network (SSRN), Idealonline Veri Tabani, Ajindex Academic Journals, Arastirmax.

In the journal, the review process is carried out objectively and impartially, and the double-blind peer review system is applied, in which the names of the referees and authors are hidden. Efforts are made to ensure completing the process quickly and the accepted articles are given a DOI number.

Contributing to the journal by your precious works is very important for us in terms of developing science in the world, being beneficial to humanity and becoming a more qualified journal. We hope that this issue is helpful and we thank you, our esteemed scientists and readers, for your interest.
