Journal Information

Journal Profile

International Journal of Economics, Finance and Politics (IJEFP) is an international peer-reviewed open access journal that continues the publication of *Journal of Academic Value Studies (JAVStudies)* under a new title and ISSN. While the journal now bears a new identity, it maintains its editorial policy, publication ethics, archival continuity, and commitment to publishing high-quality scholarly research.

The journal is an international, peer-reviewed, open-access academic journal established in 2015. The journal provides a platform for the dissemination of original research articles, review studies, and theoretical contributions in the fields of economics, finance, business, management, political science, and international relations.

Scope of the Journal

IJEFP aims to publish original academic research in the fields of economics, political science, business, finance, and management, and encourages interdisciplinary studies related to these areas. The journal contributes to the dissemination of scientific knowledge and supports academic discussion at both national and international levels.

Abstracting and Indexing

International Journal of Economics, Finance and Politics (IJEFP), previously published as *Journal of Academic Value Studies (JAVStudies)*, is currently indexed in the following databases and directories:

EBSCO
ERIHPLUS
RePEc (EconPapers, IDEAS)
